

Toyota Auto Body Safety and Health Basic Policy

Basic Principles

Ensuring the health and safety of all people working at Toyota Auto Body is the foundation of management, and beyond recognizing our social responsibility, and in being solely devoted to “human respect” and “safety first”, we are actively making efforts to support a healthy mind and body, as well as create a safe and comfortable workplace in aiming for “zero disasters” and “zero illness”.

Action Policy

1. Prioritize safety and health above all else.
2. Observance of company rules, and also safe hygiene in aiming for a high standard for a safe and healthy work environment.
3. Good communication and activities that allow all employees to participate in bringing together the originality and ingenuity of each employee.
4. We persist in our efforts to eliminate danger and harmful actors and we promote continuous improvement for safety management.
